

General Membership Meeting

Looking Back and Looking Forward

Wednesday, January 18th, 7:00 pm

**Napa Senior Center, Little House by Bocce Court,
1500 Jefferson Street, Napa**

New and old members are encouraged to attend this first meeting of the New Year. Learn a little about the League's history, including a short video, along with some of the programs and activities planned for 2017. Then join the discussion of which issues LWVC and LWVNC should focus on next and a report on its current "issue of emphasis": to learn about and then educate others about local housing shortages. Nonmembers are welcome to join at the door (reduced regular and student rates available for first-year membership).
